

# MOUNT HAWTHORN PRIMARY SCHOOL

## TOGETHER TOWARDS THE FUTURE

Dear Parents,

### School Contributions and Charges

The School Education Act 1999 and School Regulations 2000 require the outlining of all contributions and charges that will be incurred by parents for the education of their children in the following year.

The Mount Hawthorn Primary School Board has endorsed the following schedule of Contributions and Charges for 2019. The schedule will allow you to calculate the maximum cost that may be incurred for school activities.

### Payment

Payment of **Voluntary School** and **P&C contributions** may be made at the school office by Qkr, credit card or cash at any time, in full or in instalments. The school's nominated supplier, Ziggies Educational Supplies, will also collect contributions on our behalf when placing an order for personal items in Term 4.

### 1. CONTRIBUTIONS

The total amount of **school contributions** parents and carers are being asked to pay has been set at the \$60.00 maximum provided for in the School Education Regulations 2000. Money collected will be used to supplement school expenditure in the areas shown in the table below.

While **contributions** are **voluntary**, far more can be accomplished for the benefit of all children when each family makes its contribution to the costs of our educational programs.

English	The Arts (Music/Drama/Visual Art)
Maths	Health and Physical Education
Science	Languages (Italian)
Humanities	Technologies/STEM
<b>TOTAL CONTRIBUTION PER STUDENT</b>	<b>\$60.00</b>

### 2. CHARGES FOR EXTRA COST OPTIONAL COMPONENTS

A breakdown of estimated **charges** for your child's participation in excursions, visiting presenters, school/class activities, etc, for 2019 has been included in the schedule overleaf. Students will only incur costs when they are involved in a particular activity. A Term Account, outlining costs for that term, is sent home with your child at the beginning of each term.

The amounts indicated represent the **maximum** that will be charged for scheduled activities and may not be charged to all children in all year levels.

The charges schedule includes costs associated with

- specific learning activities available to **all** students, but conditional on a payment being made, e.g. excursions, visiting presenters, in-term swimming.
- specific learning activities available to **selected** students, but conditional on a payment being made, e.g. PEAC, Instrumental Music School Services program, etc.
- other activities available to **all** students, but conditional on a payment being made, e.g., graduation lunch, end of year functions, etc.
