

MOUNT HAWTHORN PRIMARY SCHOOL

P&C They're dynamite...

Want to be a part of the MHPS P&C, a dynamite team and make your kids proud? Then get involved.

What is the P&C?

The P&C is a group of school parents who work as a team to complement to School and the Board by providing the "Nice to haves" such as the Uniform shop, Canteen, Shade sails, Oval redevelopment and playground upgrades for example. We bring school community together by holding social events, such as the sundowner and school disco, and fun fundraising activities. This fundraising enables us to provide curriculum support to school primarily in the form of monetary support.

Wow, but how could I help?

Everyone can help! We have role and committees which will suit everyone, from President to Treasurer to being a representative on the Uniform, Ground or Events committee to name a few. You can choose what interested you and your level of commitment. You can help and your kids would be very proud of you for doing so.

Want to find out more?

Come along to the sundowner on the 8th March and have a chat to the current committee or call the P&C President Scott Yelland on 0401 676 950 for more personalised service. We would love to welcome you aboard and see you explode into greatness on the MHPS P&C.

See you at the P&C AGM

Monday 11th March in the Harbeck Centre (Library) at 7.00pm
