

Kiss & Ride

To create a safe environment for students using Killarney Street we ask all parents/carers to adhere to our Kiss & Ride procedure:

In the afternoon the Kiss & Ride will open at 3.10pm, allowing time for children to leave their classrooms and arrive at the supervised Kiss & Ride pick up point, which is located safely behind the school gates between the art room and the gate nearest the front of the Kiss & Ride area.

When using the Kiss & Ride, please ensure you drive as far forward as possible within the designated area, and take note of the signs and road markings which clearly state:

- **No parking/standing between 8.00 and 9.00am**
- **No parking/standing between 2.30 and 3.30pm**
- **Pick up and set down only during these times**

With the aim to keep the Kiss & Ride area fluid and to reduce parental waiting time in the afternoon, please arrive no earlier than 3.10pm as ***NO PARKING/STOPPING is permitted***, and the Kiss & Ride will not be operational until this time.

Please encourage your children to make their way to the supervised collection point promptly.

Thank you for your cooperation.
